FSS Mates launch

---

Dear students,

Originally, I planned and looked forward to writing an optimistic message about the arriving spring. Unfortunately, Russian troops, led by a war criminal and a mass murderer Putin and his evil clique, brutally attacked Ukraine – its innocent, benign neighbor only aspiring to live in peace, democracy and dignity.

I want to express our compassion with and our support to our Ukrainian students, their families, loved ones and the whole country. Ukrainians are brave and courageous people who will resist and defeat the invading Russian hordes.

I would like to ask you to do whatever you can to help our Ukrainian fellow colleagues and their country. Charity and volunteering are tools that can make a difference and help defeat Putin's gang and its evil intentions and acts. We know that you have done a lot already and we thank you for that. Please remain strong and resilient. The Western democracies defeated the Soviet evil empire in the Cold War, and Ukraine with the free world will defeat it in this conflict, too.

Dear Ukrainian friends, we keep you in our thoughts and prayers.  
SLAVA UKRAINY, HEROIAM SLAVA!

Petr Suchý, on behalf of the whole leadership of the faculty

# FSS MATES - SUPPORT FOR INTERNATIONAL STUDENTS!

## Now open!

The Faculty of Social Studies has created a support system for students when they have appointments at governmental offices or doctors to provide translation services.

Please note, the FSS Mate is not responsible to make an appointment for students, nor to help students fill out applications (i.e. it is the students responsibility that they have all the required documentations required of the appointment).

Students can start requesting the services now, more information can be found [here](#).

# APPLY TO BE A STUDENT AMBASSADOR

## Deadline: 15 March

There are five FSS student ambassador positions open this semester for the following programmes:

- Energy Policy Studies
- International Relations and European politics - Bachelors (2 positions)
- International Relations and European politics - Masters
- Sociology/Cultural Sociology

If you are a current student of one of these programmes, and will not graduate sooner than June 2023, we invite you to apply. Ambassadors assist in the promotion of the faculty, answer questions from prospective students, function as a representative of the programme for current students and participate in events organized by the university. Ambassadors receive a stipend each semester.

To apply:

- Send a cover letter (reason why you think you would be good), CV, and a letter of recommendation from a professor in your department to ErinAnna Smith [smith@czs.muni.cz](mailto:smith@czs.muni.cz).
- Select students will be asked to an interview.

# COVID TRAFFIC LIGHT CHANGES WHITE

## Starting Monday, 7 March

The university will follow the current government measures:

- Respirators or surgical masks are obligatory in common areas of MU buildings or when switching between classes.
- Respirators are not required in classes where students only sit and do not interact

# RENEWING VISAS AND WORK VISAS

## Be aware of the expiration

Students are responsible with ensuring their residency in the Czech Republic stays active. We urge students to look at their visa or residence permit expiration dates and plan ahead. At the moment is not possible to schedule an appointment, and if students need a new residence permit now and must apply in person they should go and wait for drop in appointments (arrive before opening hours).

Even in this complicated situation, it is still necessary to submit an application before your current visa/resident permit expire.

However students should check the system <https://frs.gov.cz/en> to see if this changes. Once appointments do open, we can expect appointments will be booked for 2-3 months in advance and it can be hard to get last minute appointments. Once an appointment is scheduled, students can use our new FSS Mates programme to attend the appointment and help with any translation problems.

In the current situation the faculty is not able to call and get you an appointment - we do not have this power.

### Renewing your student visa/residence permit

As a reminder, you cannot submit the application to renew your study visa until 120 days before the expiration date (i.e. if it is for September 4, you earliest you can apply is May 4), however it is always good to review what you will need for the application (proof of funds, health insurance, etc.) so you can plan ahead.

- For information about applying for a Long Term Residence Permit for the first time, please go to the MOI website [here](#). It's necessary to submit the application personally.
- For information about applying for extending a Long Term Residence Permit, please go to the MOI website [here](#).

### Renewing your student visa/residence permit

Students who are renewing a residence permit (the plastic card) are able to submit the documents via registered mail (in Czech „doporučeně“)- during these times we urge you to use this option. Please send them also „žádost o sdělení čísla jednacího“ (to get your application number) and don't forget you need to send also the stamp to pay it (in Czech „kolek“, you can buy it at the post office). If you have questions about this process, you can write to Klára Němečková at [217236@muni.cz](mailto:217236@muni.cz) and she will help advise you.

### Are you graduating? 'Purpose of seeking employment' visas allows you to stay in the Czech Republic for up to 9 months to find a job and transition to a work visa.

Foreign nationals who are residing in the territory of the Czech Republic with a long-term residence permit for the purpose of studies and who successfully completed their university education are eligible to file an application for a long-term residence permit for the purpose of seeking employment or, as the case may be, an application for a long-term residence permit for the purpose of starting a business. For more information on the requirements for obtaining a visa for the 'purposes of seeking employment', please visit the MOI [website](#).

Last year we organized a webinar to discuss this visa with the Brno Expat Centre, you can see it [here](#). We may offer it again and if so will inform you.
